Dear Chair Menor and Members:

Re: Confirmation of Carolee C. Kubo as Director of Human Resources

I am a retired employee of the State of Hawaii and am a member of the Hawaii Government Employees' Association Retirees Unit. Before my retirement from the State at the end of 1994, I was a member of the executive committee of the HGEA Managerial and Confidential Employees' Unit. During part of the period 1990-1994, while Ms. Kubo was first employed at HGEA, she served as our field services officer. Her support and assistance were of great benefit to the activities of our unit.

It is quite apparent from Ms. Kubo's resume that she has since accumulated extensive experience in personnel matters from both the labor and management perspectives. I feel sure that she will be a great asset to the City Administration as Director of Human Resources, and therefore support her appointment to that position.

Thank you for this opportunity to submit late written testimony.
